President's Message

Ladies and Gentleman,

Welcome to the Meeniyan Golf Club's Goods and Services Auction. This is a major fundraising event for the Club and I hope everyone has an enjoyable and profitable evening.

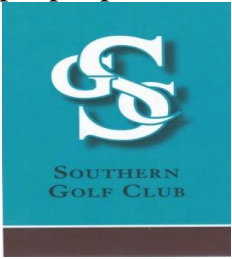

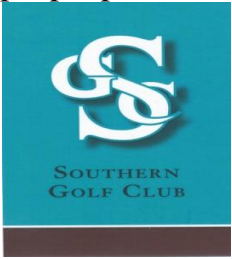

There is a wide range of items for sale, with something there for everyone. This is only possible through the generosity of local businesses and individual members and supporters of the club. These donors are listed, in no particular order, on the back page of this catalogue and on behalf of the club I give them my heartfelt thanks. I also encourage you to support these businesses with your patronage.

As well as the items catalogued for open auction there is a wide range of items in a Silent Auction in the marquee. In the breaks in the live auction, please browse this area for the bargains in there. This silent auction will close at the end of the last break in the live auction so get your bids in early.

Your auctioneer for the night is Neil Park. Members of the organising committee will be present to help with any queries and Cindy Winkler and her team recording and receipting purchases. Settlement on the night by CASH, CHEQUE or EFTPOS. All labour items are restricted to a 30 km radius from Meeniyan Golf Club.

I thank you for your attendance as well as those all involved in the hard work needed to organise this evening's event.

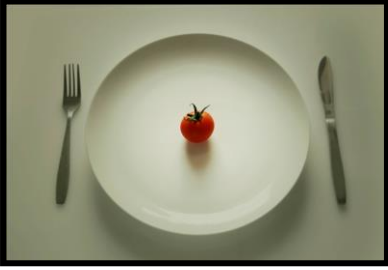

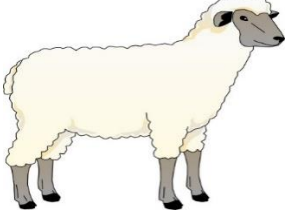

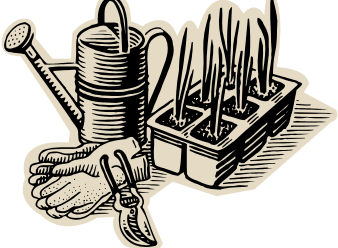

Bill Pratt, President
